INSTRUCTIONS FOR LICENSE RENEWAL / REINSTATEMENT

TIMELY RENEWAL: It is your responsibility to comply with all renewal requirements stated in statute and rule and to promptly submit a completed Application for License Renewal. Due to the volume of renewals to be processed, it can take up to 30 days to process an application. If your completed application is not received at least 30 days before the expiration date shown on the coupon, the Division cannot guarantee that you will receive a new license before your current license expires. You can also renew online at www.dopl.utah.gov where you can immediately print out a confirmation of renewal.

APPLICATION APPROVAL: Your application will be approved unless it is apparent that you do not meet the renewal / reinstatement requirements. Professions with specific requirements listed on the front of this form may be subject to audit by the Division. Those selected for audit will be notified. Please note that the Division reserves the right to initiate action at any time against a licensee who did not meet the renewal / reinstatement requirements at the time the license was issued.

NON-REFUNDABLE FEES: Renewal fees paid with this application are for processing your request for renewal of licensure and are non-refundable. Please be aware that simply paying the fees does not mean that your license will be automatically renewed unless you meet the current renewal requirements and thereby qualify for a renewed license.

REINSTATEMENT FEES: If you fail to renew your license before the expiration date shown on the coupon, you will be subject to the following conditions:

- A) If you are reinstating your license within 30 days after the expiration date listed on the front of this form, you must submit the renewal fee **PLUS** an additional \$20.00 for **EACH** license being reinstated.
- B) If you are reinstating your license after 30 days and within two years of the expiration date listed on the front of this form, you must submit the renewal fee **PLUS** an additional \$50.00 for **EACH** license being reinstated. (Reinstating Lien Recovery Fund members must also submit another \$100.00 in addition to any special LRF assessments.)
- C) Fees are subject to change each July 1. The fees on the coupon are current at the time this form was printed. Please verify the current fee at www.dopl.utah.gov if applying for reinstatement more than one year following expiration of your license.

NOTICE: If you fail to reinstate your license within 2 years of the expiration date of your license, you must submit a new application, meet current requirements for licensure, and pay the fees specified in subsection R156-1-308d(3). Contact the Division for assistance in reinstating after 2 years.

INFORMATION UPDATES: You are responsible to immediately notify the Division of address or name changes as they occur. Please do not rely on forwarding orders to provide the Division with this information.
